Ho Chi Minh City The 11th of September 2017

To: AIAE LUXEMBOURG

Dear Sir/Madam,

Go Van Children Care Support Center with the assigned function and responsibility to receive, bringing up and educate the orphan children who has special difficult situation in Ho Chi Minh City from the time of new born until 22 years of age the children were transferred to the Center by Maternity Hospitals, Children Hospital and sections of Labor War Invalids Social affairs at District Level . The majority of the children suffered various sicknesses, defective situation, such as: malnutrition, congenital heart failure, hair lipped, paralyzed, cerebral palsy, water logged brain, Down syndrome , mental disability, blind, deaf, defective in physical exercise. The Center is now taking care of 240 children, in which 85% are defective.

The Center would like to express gratitude to AIAE Luxembourg for financial support providing rehabilitation facilities for children in need of rehabilitation at the Center. The supplier was PHANA Trading Production Co., Ltd. its address 1A Ly Thuong Kiet St., Ward 7, Tan Binh District , Ho Chi Minh City who was responsible to install correctly following the list of names of products and delivery was in time , there was economical contract and Minute of Transferring –Checking and Accepting & Liquidation of contract (enclosed).

The Center found that PHANA Trade and Production Limited Company has fulfilled the contract and met the required progress. Now our Center reports to AIAE LUXEMBOURG to I know on the above mentioned content on the financial support at the Center.

The attention, assistance from AIAE LUXEMBOURG brought joy and happiness to the orphaned and disabled children at Go Vap Children Support Center, and a source of motivation for staffs to complete well tasks at the Center. To fulfill the tasks of nurturing, caring, educating and rehabilitating disabled orphans Special thanks.

We wish you health, happiness and success.

DIRECTOR

Signed and Sealed
